

PASSPORT PROGRAM

Exhibitor Guide

Attendees will stop by your booth with a Becker's Passport. Here's how to stamp it and what they're working toward.

AT YOUR BOOTH

- 1 Have a real conversation first.** The stamp is the thank-you, so take a minute to learn about their ASC and share what you do.
- 2 Stamp the next open circle.** The 50 circles run around the back of the passport. Please fill them in number order so the milestone circles line up with the right reward.
- 3 One stamp per attendee.** Each passport should carry your stamp only once.
- 4 Keep your stamp at the booth.** If a teammate covers for you, make sure they know where it is.
